LIGHTHOUSE COMMUNITY CHURCH

"A LOVING, LIVING, LEARNING, LIGHTING COMMUNITY CHURCH"

(Loving) We will be inwardly strong, but outwardly focused.

(Living) We will integrate good deeds (show) and good news (tell) into our lives.

(Learning) We will value impact and influence in the community more than attendance.

(Lighting) We will become the "soul" of the community.

Is a job something
that should be viewed
as a blessing in our
lives? The way by
which we can reach
others for Christ? The
way by which we can
support ourselves and
our families? The way
by which we can give
back to God with our
paychecks, by tithing
to our church or to
ministries or by
helping individuals
and families in need?

WOMENS RETREAT- SEPT 24-26

This year we are joining with "Growing Women" for their women's conference in the Traverse City area. We will have free lodging, so the cost is low (just the conference cost and a couple of meals). Find out more and register online at growingwomen.org The cost will be \$40. Let Dana Gretzinger know if you'd like to go.
